**Date: 04.05.2021**

**Notice**

In continuation to the earlier advisory of this University dt 12.04.2021 regarding attendance of the staff, this is to further notify that the Election Commission is still under process of vacating the University campus for which sanitisation work is being delayed.

Therefore I am directed to notify that considering the health safety measures of the staff in this pandemic situation, the staff and officers of this University will work from home upto 7th May 2021. In between, emergency physical attendance of some of the staff may be needed which will be intimated to them separately.
